Mr. Kelley Lee
Labor Temple
Portland
Oregon

Dear Mr. Lee:

We are sorry that printed copies of our hearings are not yet available. However, in accordance with your request, I am sending you under separate cover one of the very few sets of galley proofs available. I would appreciate it greatly if you return these proofs to me as soon as possible--at any event within a week.

Printed copies of the hearings, which I am certain you will want, will be available in a month or so through the Procurement Division, Government Printing Office, Washington, D. C. at a very nominal cost.

Very truly yours,

Robert Wohlforth, Secretary
Subcommittee of the
Committee on Education and Labor
Under S. R. 266
